

Vice President, Research and Academics (0.5 FTE)

Waypoint Centre for Mental Health Care provides exemplary mental health and addiction services to Simcoe County, Muskoka and portions of Dufferin County and Parry Sound. The VP, Research and Academics will lead the Research and Academics Strategic Plan implementation, oversee research integration and training, and support clinical activities. Candidates with Doctoral-level training in the field of mental health and an active academic appointment are invited to apply to resumes@prometheus.ca.
