

# Virtual Psychiatry

with **ClinicUp**

## The Details

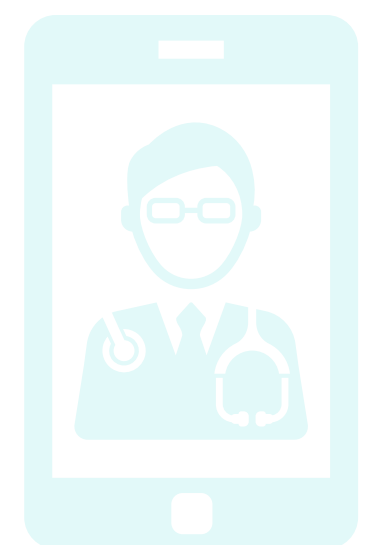

- Work from home. Minimum 2 hours per week to full time
- OHIP billed services
- Prescreened referrals with complete history
- Appointments are books for you, as per your schedule
- Transcription services

## The Opportunity

We're looking for psychiatrists to join our growing team.

Our ideal candidates enjoy;

- Treating patients online
- Working in an innovative industry
- Access to a support team available to continuously improve the physician experience

## Your qualifications

- License with CPSO
- FRCP certification preferred
- Malpractice and liability insurance

## Who we are

ClinicUp is a telemedicine company with a focus on mental health. We are improving physician workflow by completing all administrative tasks so the focus is on work flow. We offer online consults covered by OHIP, online prescriptions and free delivery. Founded and operated by a practicing Canadian physician.
