

Located on beautiful Georgian Bay, Waypoint Centre for Mental Health Care is a 301-bed psychiatric hospital serving the North Simcoe Muskoka region. We are recruiting psychiatrists for 1-4 week locum opportunities in acute care on an ongoing basis, and 1-8 month opportunities in inpatient psychosocial rehabilitation from May 3, 2021 through January 4, 2022. Compensation is in the form of an independent contract with a daily rate.

We seek candidates who hold an MD or equivalent, certification in Psychiatry from the RCPSC, and licensure for independent practice from the CPSO. Consideration would be given to a senior resident candidate with a restricted license.

For more information on these opportunities, click [here](#). To express your interest, please contact Waypoint's Medical Affairs Office at nmarchant@waypointcentre.ca.
