

## ***DISCOVER AN OPPORTUNITY FOR EXCEPTIONAL WORK-LIFE BALANCE***

### **PSYCHIATRISTS**

Sault Ste. Marie is seeking full-time psychiatrists to provide clinical services in our Schedule One Hospital and across a full continuum of psychiatric care. SAH's Mental Health and Addictions program consists of 30 adult inpatient beds, 4 child and adolescent beds and a residential withdrawal management facility. We have outpatient services/clinics including group cognitive behavioural therapy and one PACT team. You will join a group of 9 psychiatrists and be well supported by a multi-disciplinary team that includes nurses, psychologists, social workers and numerous Masters level therapists.

Candidates must possess or be able to obtain an unrestricted license to practice medicine in Ontario with the College of Physicians and Surgeons of Ontario, and must hold or be eligible for licensure by the Royal College of Physicians and Surgeons of Canada. Subspecialty training or experience in an area of interest would be an asset, but will not be required. Supervision may be offered, if needed.

We have a site-specific psychiatric residency program through NOSM. In addition, there is the opportunity to teach family medicine residents and medical students as well as physician assistant students.

For physicians interested in teaching medical students and residents, there are opportunities to obtain faculty appointments with the Northern Ontario School of Medicine (NOSM) and faculty development & research with the Sault Ste. Marie Academic Medical Association.

We provide a community incentive package, the Ontario Ministry of Health incentive offered through the Northern Rural Recruitment & Retention Initiative and the Northern Specialist Alternative Funding Plan. We also provide additional stipend and sessional support making the pay package competitive if not superior to any remuneration support in the country.

Sault Area Hospital (SAH) is a state-of-the-art facility which opened in 2011. With funding for 291 inpatient beds and 14 closed ICU beds, SAH provides emergency, primary, secondary, selected tertiary and long-term care healthcare services to the city and the District of Algoma with a catchment population of approximately 115,000.

Sault Ste. Marie, Ontario is located on the Canadian/U.S. border between Lake Huron and Lake Superior. The "Soo" has all the amenities of a regional urban centre. We are near spectacular provincial and national parks where many winter and summer activities are available. There is a strong cultural and arts basis in the community. We have educational opportunities including public and separate school systems as well as two universities and a college. Sault Ste. Marie and the surrounding area is served by three Canadian airlines as well as one major U.S. airline.

Interested applicants may contact: Christine Pagnucco, Manager, Sault Ste. Marie Physician Recruitment & Retention Program. Phone: (705) 759-3720 E-mail: [pagnuccoc@sah.on.ca](mailto:pagnuccoc@sah.on.ca)
