

The Faculty of Medicine of the University of Geneva
and the University Hospitals of Geneva
are seeking applications for the position of a

**Full or Associate Professor,
Head of the Division of Psychiatric Specialities**

CHARGE: This is a joint University Hospital and Faculty position as Head of the Division of Psychiatric Specialities, including a part-time appointment as professor. The position is attached to the academic and hospital Departments of Psychiatry.

The candidate should have an excellent clinical track record in Psychiatry and outstanding leadership, communication and managerial skills to lead a large division organised in five specialized outpatient and hospital care units (early psychiatric disorders, mood disorders, personality disorders and ADHD, neurodevelopmental disorders and ASD, sexual medicine and sexology) and a specialized consultation for family and couple therapy. She/He will continue and further develop collaborations with the other divisions of the Department of Psychiatry.

The successful candidate will possess the ability to conduct high-level research and have proven competence in mentoring and medical education at both undergraduate and postgraduate levels.

TITLES AND QUALIFICATIONS REQUIRED :

M.D. title and board certification in Psychiatry and Psychotherapy, or equivalent, are required.

Good knowledge of French.

Relevant experience as an independent investigator and teacher.

Publications in leading peer-reviewed journals.

STARTING DATE: December 1st 2021, or upon agreement
